Entrust your project to us

< PRODUCT SUPPLY

- < Field Instrument, Automatic Valve, Accessories
- < I&E Bulk material, Electrical Equipment, Rotary Valve parts.

ENGINEERING WORK

- Feasibility study
- Cost Estimates
- Pre-qualifications
- Design/Construct ability Reviews
- Pre-Planning and Execution Planning

CONSTRUCTION WORK

- < - Construction Management and Supervision
- < - Installation
- Calibration
- Material Procurement
- Man power supply

COMMISSIONING

- Testing and Commissioning
- Client Instruction and Handover

EXPERIENCE & REFERENCE

- Cabling work CVSVA Fan system
- Lighting system PAA and maintenance shop
- Cabling work & installation Magnetic Hammer Package
- Cabling work & installation equipment AHU package
- Cabling work & installation ventilation system U200
- E&I Engineering & construction of SRU project
- Instrument Engineering for MTP project
- Cabling work, installation & commissioning New tank project
- Manpower supply for commissioning work
- E&I Engineering of Hi-Revision project

- Material supply for Instrument tubing work

- Replace, installation, calibration and commissioning for P/P positioner of main stack damper valve

- Disopropylamine supply for SWAS package

บริษัท สยามราชธานี จำกัด (มหาชน)

- Material supply for cabling work

- Cabling, wiring, Equipment installation for AHU project

- Manpower supply for E&I for EGAT BPRP project

- Manpower supply for scaffolding PTTGC ORP project
- Steam tracing installation for piping and instrument PTTGC ORP project
- Fiber optic cabling work PTTGC ORP project

EXPERIENCE & REFERENCE

- CCTV & Access control system PM work for AIS, Huawei and GIS group

- CCTV System Installation and Commissioning Work for GIS Group & Citi Bank at Central Rayong Thailand

- Lighting Installation and Grounding Work with CPP & EGAT at Rayong Thailand

- Cabling Work, Adding a new IO Point and Commissioning work with CPP & Gulf at Ayutthaya Thailand

- Electrical Installation Work, Wiring Connection and system configuration with SUS BKK at Pluak Daeng, Rayong, Thailand

- Overhaul Rotary Valve at PTT MCC Rayong. Replace spare part. Inspection&Test, Reinstallation.
